Memorandum

Date: December 3, 2013

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

A handwritten signature in black ink, appearing to read "Carlos A. Gimenez", written over the name in the "From:" field.

Subject: Declaring as Surplus County-Owned Real Property Located between Perimeter Road
and SR 836, Unincorporated Miami-Dade County
Folio No. 30-3035-000-0193

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached resolution which authorizes the following actions:

- Declares as surplus a 1,813 square foot County-owned property located between Perimeter Road and SR 836 (Folio No. 30-3035-000-0193)
- Authorizes the private sale to Perimeter Road Management, LLC, the owner of both adjacent properties, for no less than \$7,252.

SCOPE

The property is located in County Commission District 6, which is represented by Chairwoman Rebeca Sosa.

FISCAL IMPACT/FUNDING SOURCE

The sale of this property will eliminate approximately \$90 in annual maintenance costs and will generate an estimated \$135 in annual ad valorem taxes.

TRACK RECORD/MONITOR

Shannon Clark of the Real Estate Development Division in the Internal Services Department is managing the sale of this property.

DELEGATION OF AUTHORITY

Authorizes the County Mayor or the County Mayor's designee to sell the property to the adjacent property owner, take all actions necessary to accomplish the sale of the property, and authorizes the Chairwoman or Vice Chair of the Board to execute a County Deed for such purpose.

BACKGROUND

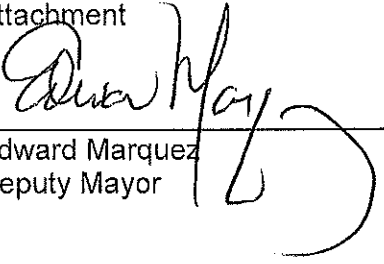

The County acquired this property via Special Warranty Deed on May 9, 1962. It is a strip of land that measures approximately 5 feet in width by 362 feet in length for a total of 1,813 square feet (see attached sketch). If approved for surplus, the property will be sold to Perimeter Road Management, LLC, the owner of both adjacent properties for no less than \$7,252, which is equal to \$4 per square foot, and based on the square foot assessed value of the adjacent property.

Florida Statute 125.35(2) states that when the Board finds that a parcel of real property is of insufficient size and shape to be issued a building permit for any type of development to be constructed on the property, or when the Board finds that the value of a parcel of real property is \$15,000, or less, as determined by a fee appraiser designated by the Board or as determined by the County Property Appraiser, and when, due to the size, shape, location and value of the parcel, it is determined by the Board that the parcel is of use only to one or more adjacent property owners, the Board may effect a private sale of the parcel.

Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners
Page 2

The Internal Services Department circulated this property to all County departments to determine whether the County has a present or future need for the property, in which none was determined. Additionally, the Planning Advisory Board, at their July 1, 2013 meeting, recommended that the property be declared surplus and sold to the adjacent property owner.
